It is a crime to knowingly provide false, incomplete or misleading information to any party to a workers' compensation transaction for the purpose of committing fraud. Penalties include imprisonment, fines and denial of insurance benefits.

In compliance with The Tennessee Workers' Compensation Law, T.C.A. Section 50-6-204

The injured employee shall accept the medical benefits afforded hereunder; provided, the employer shall designate a group of three (3) or more reputable physicians or surgeons not associated together in practice, if available in that community, from which the injured employee shall have the privilege of selecting the operating surgeon and the attending physician. If the injury is a back injury, the statutory panel must be expanded to 4, one of whom must be a chiropractor with treatment limited to 12 chiropractic visits. Further, if the injury or illness requires the treatment of a physician or surgeon who practices orthopedic or neuroscience medicine, the employer **may** appoint a panel practicing orthopedic or neuroscience medicine consisting of 5 physicians, with no more than 4 physicians affiliated in practice. If the employer provides this panel, the injured employee shall be entitled to have a second opinion on the issue of surgery, impairment, and a diagnosis from that same panel.
