The Coventry Provider Network is a customized network of medical providers. This list is voluntary. The employee's choice is not restricted to the list. The employee's rights are not impaired by choosing an attending physician from this list. It is simply provided for the employee's convenience. For a complete medical provider list contact your examiner.

Notify your immediate supervisor of your injury. If you feel that you need medical attention, you may choose one of the providers listed here. Please call the provider to confirm Coventry participation and to schedule an appointment for faster service. Many clinics are open extended hours for your convenience. For urgent care needs after clinics hours, you may proceed directly to the hospital listed here. Patients will be seen on a medical priority basis. In emergency situations you may immediately seek treatment from the nearest qualified facility or provider.

Your Employer and its Insurance Carrier utilizes providers who may be contracted with Coventry, First Health, FOCUS, MetraComp, or other top performing networks. The above list is not a complete list of healthcare providers with Coventry. **If your situation is a medical emergency requiring immediate attention, dial 911 or proceed to the nearest hospital which provides emergency services.** Use of network does not confirm or verify compensability under the Workers' Compensation Act, which is determined solely by the claims administrator.
